BRIGHT LEARNERS

“The real asset of any advanced nation is its people, especially the educated ones, and the prosperity and success of the people are measured by the standard of their education”

H.H Sheikh Zayed Bin Sultan Al Nahyan
Founder of the UAE

The fundamental purpose of school is learning, not teaching.

Richard Dufour

Sulaiman Akbar Ed. S
Principal

“Bright Learners Private School is a world class American curriculum K-6 school that continues to redefine 21st century education.”

In our 3rd year of existence, we strive to become an anchor in the local community by developing our brightest young minds so they can reach their fullest potential. As an emerging professional learning community, Bright Learners Private School aims to exemplify a culture of collaboration, where our teachers work interdependently as caregivers, nurturers, researchers, and practitioners in their classrooms. Recently, we've added an innovative STEAM curriculum to our facilities and technological infrastructure which will prepare our learners for the ever-changing hi-tech world which we now find ourselves in.

“Our approach to learning is evidence-based and we effectively use data to drive our instruction so students are challenged appropriate to their abilities.”

BRIGHT LEARNERS

Vision & Mission

VISION

A community where all children feel loved, inspired, and empowered to achieve their fullest potential.

MISSION

To cultivate an inclusive learning community that challenges learners to reach their optimum success and empowers them to become contributing members of the local and global community.

INSPIRE INNOVATE EDUCATE

About Us

01 Robust Curriculum

Bright Learners Private School provides a robust curriculum with a foundational platform of effective core courses and also a variety of electives and extra-curricular activities.

02 American Teachers

Majority of our classroom teachers are American and they encourage independence of learning and active learning.

03 Student-Centered

Bright Learners has a diverse group of professional educators that promote collaborative learning structures, utilizing a student-centered approach to learning.

“Our approach to learning is centered on the development of learners’ 21st century skills, primarily the 5C’s, (creativity, collaboration, critical thinking, communication, and cultural understanding)”

“Bright Learners Private School is steeped in Emirati culture with a deep respect and honor for Islamic values.”

Emirati students' identity, language, culture and aspirations are valued and developed at Bright; Our community integrates traditional concepts and Emirati cultural values in daily teaching and learning.

OUR MOTTO:

“Honoring the past, living in the present, and leaping to the future” which encapsulates our preservation of the rich tradition and legacy of the UAE.”

Why Bright?

GO BRIGHT

- Rigorous American Common core curriculum (Massachusetts)
- American teachers that focus on the development of the whole child
- Reggio Emilia inspired play-based learning in Kindergarten
- Evidence-based approach to teaching & learning
- International learning community that promotes tolerance and inclusion
- High quality American education at an affordable fee structure

At Bright Learners Private School our PreK-Grade 6 core subjects follow the American Common Core standards of Massachusetts, Next Generation Science Standards (NGSS), and National Standards for Social Studies (NSSS). Arabic, Islamic, Moral and Social Studies are delivered through the approved Ministry of Education (MOE) framework.

The American curriculum is a robust and rigorous curriculum that is broad, balanced and has a natural progression throughout the child's learning journey. Our approach to learning is student-centered and focuses on developing learners' 21st century skills as well as social & emotional skills. This is inspired by the American philosophy of educating the individual, who will, in turn, contribute positively to their community and beyond.

KINDERGARTEN PROVISION

Our prime areas of focus are communication and language, personal, social and emotional development and physical development.

These prime areas are strengthened and applied through: Literacy, Mathematics, Science, Understanding the World, and Expressive Arts and Design.

- Teacher to student interactions are key for expanding and deepening learning.
- Teachers must develop learners' voice, autonomy, and independence for learning.
- Reggio Emilia-inspired play-based approach to learning for kindergarten fosters holistic development, supporting young learners as they develop, academically, socially and emotionally.
- We offer Arabic and Islamic Studies from KG1.

“All young children can learn and all children learn differently.”

BRIGHT LEARNERS

Primary - Middle School

- Our teachers and leaders use evidence-based teaching strategies to research and apply best practices Teachers are data-driven and adapt instruction to meet the needs of individual learners.
- Teachers promote early literacy through library sciences, social environment and language-rich activities Development of letter recognition, encoding, decoding, and print awareness.
- Focus on comprehension, accuracy, fluency, and expanded vocabulary to drive literacy.
- Introduction of math and numbers through the manipulation of physical objects to build a foundation for learning addition and subtraction. Science inquiry learning and development through observation and the use of the Scientific method Integration of STEAM to enhance the viable curriculum.

English	Arabic
ICT	Islamic Studies
Maths	PE
Foreign Language	Art
Science	Moral Education
Music	UAE Social Studies
US Social Studies - Grade 6 onwards	

“At Bright Learners Private School, we believe extra-curricular activities help improve learners’ physical, social, and psychological development, and they also extend learning and broaden individual interests.”

BLPS offers a wide range of ECAs and most are provided by school staff and free of charge. The activities are age-appropriate and available for all learners. Parents and students are surveyed to identify their interests and individual needs. Our ECA programs provide opportunities for students to learn the values of teamwork, individual and group responsibility, physical strength and endurance, competition, diversity, and a sense of culture and community.

Admission Procedure

Our admissions procedure consists of:

APPLICATION

ASSESSMENT

ADMISSION

- 01 Their age in year of entry
- 02 Previous school reports
- 03 Successfully passing the assessment test

Age

Applicant should be 3 years old by August 31st of the academic year in which they are accepted for consideration into PreK.

For applicants looking for admission from KG1 – Grade 1, The age of admission for students is calculated for those who have completed the age approved by KHDA for registration on August 31 of the academic year in which they are accepted.

Application

Following an initial inquiry it is encouraged that parents go on a tour of the school then collect and complete an initial assessment form.

Assessment

Parents are required to schedule an assessment with the admissions office. The assessment will be carried out by a designated staff member, and, if appropriate, the Inclusion department.

Following the assessment, we will conduct an interview with designated staff, if required and then parents will receive a decision usually within 3 working days.
